**Parents**

I have read, understood, and discussed with my son or daughter this Acceptable Use Agreement, and I give him or her permission to use electronic resources, understanding that this access and/or use of personal devices on school grounds is conditional upon adherence to the agreement. Although students are supervised when using school resources, and their use of school resources is electronically monitored, I am aware of the possibility that my son or daughter may gain access to material that school officials, and I may consider inappropriate or not of educational value.
